

What is it?

Cloud POS is the source-of-truth for all Account information. Setting up Accounts details here means they are available for hungree.me to use.

What can it do?

The Account Details screen contains all the information needed to charge orders to a customer account.

Useful information

Accounts are not enabled for all venues. Contact CloudHQ4 for more information.

KEY ACTION: All highlighted fields – where relevant for your venue - must be supplied.

INFORMATION: Account number is associated with the Customer record in hungree.me.

Required Information

All highlighted fields are needed in order for an Account Customer to pay on account via hungree.me

Name / Address Complete the full name, address, state and postcode. This is used for delivery address assignment.

Mobile A mobile number for the person authorised to pay for orders on account is required.

Make sure there are no spaces in the number.

Email An email address for the account authorised to pay for orders on account is required.

Credit Limit For customers paying on account a credit limit must be set.
